Recent Events:

- The meeting with Edge Imaging has now been held to discuss our requirements for next year. It had been felt over the past year that the service offering was not up to the standard of Lifetouch however it was only fair to discuss our expectations and give them one more year before considering a change in provider.
- The 40th anniversary celebrations were well attended and feedback was great. Everyone was especially impressed with the memorabilia on display.
- The LAMPAC scholarship has been decided upon and will be presented at the Awards night on 15th June.
- The recent music events were a great success and enjoyed by everyone who attended.
- Recent discussions about changes in custodian responsibilities will not affect high schools and there will be no need for closures of bathrooms during the day. However, it was felt that it was still worthwhile to write a letter of support to the VCPAC to highlight the important work of the custodians and the support they get from the parents.
- The presentation by Robb Nash was very popular with the students and prompted many discussions. It was noted that the school counsellors are always available for supporting our students.

Fundraising:

- The Thrifty card school programme application has been submitted. A reminder was given that cards continue to work year round but the cut off for loading for this year's target ends on the 24th June.

VCPAC:

- The next meeting is 26th September and everyone is welcome to attend - <http://vcpac.ca/>

Emergency Prep:

- The 400 emergency blankets have now been collected and stored in the container.
- The next long term goal is to increase the number of pop up tents.

- The water and granola bars will be donated to Mustard Seed before the end of term and before they go out of date in the summer.
- Over the summer a spreadsheet will be created to correctly document our supplies.

Treasurer:

- The Treasurer's report dated 6th June 2017 was passed around and discussed. We are in a strong position and things are generally going as planned.
- Actual bank statements and bank balance slips for May were also circulated and approved.
