## LAMBRICK LEAD LOVE IS LOVE CONFERENCE

by Travis Peterson  
Saanich News

On Friday, May 20th Lambrick Park secondary hosted the region's second annual Love is Love youth pride conference.

The free conference offered a choice of five workshops and a keynote speaker to students from school districts 61 and 63, and independent schools.

Organizers Caitlin Doherty and Matt Treble initiated the conference last year and were back despite graduating and spending this year at Simon Fraser University and the University of Victoria, respectively. They shared many of the duties with Lambrick's Emma Davis, a Grade 12 student who also took over the school's Gender Sexuality Alliance (formerly the Gay Straight Alliance) this year.

"The response was so strong last year we wanted to do it again," Doherty said. "There was about 100 students from all over Greater Victoria and it really emphasized the need for a safe space for LGBTQ students."

The keynote presentation was delivered by Rev. Shana Lyngood from the First Unitarian Church of Victoria. Afterwards, participants chose from three of the five workshops: Out in Schools, AIDS Vancouver Island, Saanich Parks and Rec, Alyx McAdams and Under the Rainbow.

Closing remarks were delivered by local author Robin Stevenson, whose nonfiction Pride: Celebrating Diversity & Community, looks at how Pride came to be and what it means to the people who celebrate it.

All the speakers and workshop leaders either work with youth or are with community organizations that support youth.

"We're going for an uplifting pride-filled tone, one of inclusivity," Davis said.

# YOUTH FOR CHANGE AND INCLUSION (YCI)

From Wednesday May 4<sup>th</sup> – Saturday May 7<sup>th</sup>, five students from our Leadership Class and the GSA (Gender and Sexuality Association) formed a team of Lambrick students that attended a leadership conference called Youth for Change and Inclusion (YCI) held by the Victoria Police Department. The students were joined by teams from 13 other schools from around the south end of the island.

The conference was an intense 4 days of workshops intended to help students better understand themselves and the world around them. They participated in workshops and witnessed speakers share their own experience in dealing with issues such as immigration, homelessness, gender identity, racism, bullying, politics, Residential Schools. Most notably, there was a Holocaust survivor who shared his experiences.

The students also had time to work in groups with students from other schools and talk about how they were working towards a school that is inclusive and supportive of all learners.

While at the conference, our group had the opportunity to reflect on their current efforts towards inclusion and their outreach work from this past school year. They gathered 'Sock Bombs' (new socks filled with toiletries), collected canned goods for various food drives and raised money for Syrian refugees through various fundraisers. In addition, there were several school initiatives, including Pink Shirt Day, the Day of Silence, general awareness for Gender Identity, and more. They also had a chance to look forward to the rest of the year, including activities planned for our Spring Fair, Anti-Homophobia Week, and our Love is Love Conference.

The students had a great experience that was both enjoyable and challenging. They left exhausted, but energized to bring their new ideas and perspectives back to Lambrick Park to help make a difference.

# LPSS ACADEMY GRADS SOMERS AND SMITH LEADING THE WAY AT NCAA CONCORDIA

Scattered throughout North America there are several Lambrick Park students making waves in the world of collegiate athletics. In Portland, Oregon, **Cortney Somers** (Grad 2015) and **McKenzie Smith** (Grad 2012) are leading the way for the Concordia University Cavaliers Softball team. Coming off their 1st season in the NCAA's competitive Great Northwest Athletic Conference (GNAC), two rookies from Lambrick Park Secondary are showing the league that Canadians know a thing or two about softball.

In a doubleheader against MSU Billings, Somers and Smith lead the Cavs to a sweep after dominant performance in an 11-0 win. Smith opened the scoring with a two-run single in the first and added a third RBI with a single to left in the third. Somers followed by slamming a home run to left-center field to double the Concordia advantage. The homer was Somers' sixth of the season and second in as many games. Somers added an RBI single in the fifth to make it a 7-0 contest and give the catcher a career-high four runs batted in. The following game, Smith and Somers blasted back-to-back homers. The duo of Somers and Smith finished the weekend with a combined 6-for-9 with 11 RBI's.

It was the first season in the NCAA for the Cavaliers and they finished strong with a 17-11 record, tied for 2nd in the GNAC. Both Somers and Smith are planning on returning to Concordia in the Fall for their sophomore

## JOIN THE TEAM

The LPSS Academy Parents Association (APA) has recently selected their roster for the 2016-2017 school year.

The purpose of the APA is to foster meaningful connections between the Academy, our parents and our community.

If you are a parent that sits in the stands, and asks the question “What can I do to be positively involved and support my child’s education and dreams?”, there may be an opportunity for you. There are no tryouts. We would like to hear from you.

Your APA members are busy behind the scenes attending meetings to support the Academy and its partners. We are also involved with ongoing projects throughout the year, including: a new face for the LPSS Academy website, building awareness of the Academy within the community and updating our bylaws. Now your APA team would like to step up to the plate and introduce ourselves to open the lines of communication with parents.

On the left you will find this year’s Team Roster. Don’t wait until next year’s AGM in January to reach out with your great ideas. If you have any questions, want to attend a meeting or be part of the Academy Parents Association please do not hesitate to contact us.

## OTTAWA TRIP

30 members of LP's track & field team spent 9 days in Ottawa and Montreal. They visited many museums, Parliament and amusement parks. They also spent time training and competed at the Ottawa High School Track & Field Invitational. It was the 2nd half of an exchange they had with Mother Teresa High School. The students gained many fond memories as well as creating new friendships. As for the competition, our Lions won their fair share of 1st, 2nd and 3rd place finishes on the track and in the field.

The success in Ottawa carried over to the South Island League T&F Championships this past week. The Senior boy's team placed 2nd overall.

## MUSICAL NOTES

In January we welcomed Mr. Brian Anderson, UVic teacher candidate, to our team. Students and staff have been privileged to have Mr. Anderson teach and share his musical talents at LPSS and GHMS. [May 6th](#) was the conclusion of Mr. Anderson's practicum, though we are grateful he is continuing to volunteer as we wrap up our music events. We thank Mr. Anderson for all his hard work, congratulate him on his successful practicum and wish him all the best in his future endeavors.

Our Jazz Band performed wonderfully well at the annual Capital City Jazz Festival [on Friday, May 13th](#). The next performance date for our Concert Band and Jazz Band is [Wednesday, June 1](#). We will be part of the Spring Fair entertainment.

Congratulations to Bruce Y, Martin E and Mrs. Martin for organizing the amazing talent show in mid-April. Outstanding performances by LPSS singers, instrumentalists, and improv team. Thank you to all the performers for sharing their talents and passion for music and drama!

## TALENT NIGHT FULL OF TALENT

We want to extend gratitude and congratulations to all of the performers and volunteers who put on our amazing Talent Show. Jeanette and Mike Martin produced the event with the help of Leadership students, Fine Arts students and a host of staff and student volunteers. Our brave and talented Lions auditioned weeks prior to earn a spot on the program and clearly put in a lot of time refining their performances to create the 'vibe' we all enjoyed. Talent Night is a highlight in our annual calendar and a full house witnessed why.

We want to thank all of the families, staff, alumni and community members who joined us as audience members. You give our young performers the support and the 'live' context to express themselves in ways that go far beyond performing a song, dance or skit. You give our children a 'stage' to practice a critical life skill which will give them confidence for the rest of their lives. Thank you.

Please look forward in your family calendars to schedule time to join LPSS and Gordon Head Middle School on June 1st, 2016, for our shared Spring Fair. Live performances, several food trucks and concessions (make a plan to come by at dinnertime!), activities, crafts and games will be on offer as we host 1,000 community members on that afternoon and evening.

Kevin Luchies - Principal LPSS

## MAMMA MIA!

In early April music students, family and friends traveled to Vancouver for a day trip. While in the big city we enjoyed shopping downtown and seeing the hit musical "Mamma Mia" at the historical Queen Elizabeth Theatre. The musical was full of energy, highly entertaining and had us belting out all the greatest ABBA hits. To conclude our adventure we had a wonderful meal together in the Pacific Buffet.

1. Pick up a Thrifty Foods Smile Card Fundraising Card from our smile card administrator.
2. Bring the card with you to Thrifty Foods every time you go grocery shopping.
3. Before you load your groceries at the till, ask the cashier to load any \$ amount on the card you like.
4. Card load must take place before groceries are rung through. You can pay with cash, debit or credit card.
5. Pay for your groceries with the Smile Card.
6. When your card is running low, load it back up to continue supporting us.

### THAT'S IT! 5% OF YOUR CARD LOAD WILL BE DONATED TO OUR GROUP.

It all adds up and all you have to do is carry the card with you! Contact us right away to pick up your card.

## CALLING IN THE EXPERTS

Early in May while studying a unit on space and astronomy, one lucky Science 9 class had the opportunity to interview astronomer Paul Wilson from his home in Paris. The students prepared questions in advance for Dr. Wilson and used Google Hangouts to bridge the 8000 km divide between Victoria and Paris in order to interview their guest in real-time. The conversation was live-broadcast privately to YouTube allowing the class to return the interview for reflection on the questions and their responses.

Thank you to our student teacher Mr. Conrad Carriere for creating this opportunity for his Science 9 class.

# DIGITAL CITIZENSHIP

Students, staff and families,

It is not lost on any reader that the use of digital technology and social media grows each day. Like most technology, advances bring both benefits and challenges. We use digital technology in almost every learning environment. The instant and limitless 'information horizon' this affords staff and students has fundamentally changed the way we teach and learn. We wholly embrace the opportunities we can place before our children. We have also embraced the truth that ***our children teach us*** more and more as we travel down digital learning paths together.

With such incredible power comes significant responsibility. Though it is true almost all users of technology behave as we would wish, there are some who do not. The media regularly shares stories about children and adults who use technology to harm others. Most families, every community, and every school are challenged to educate users about responsible use and insure users and receivers of digital communication are safe.

At LPSS we have a three part rules/expectation/promise structure to help us maintain the most responsible digital culture possible. Our district has policies regarding responsible use of technology. Our school has rules for use of technology. Our students developed the attached contract they share with each other, families and their staff partners. Please take a moment to review the attached student-generated promise with your daughters and sons. Please talk with your children about their role in maintaining the generous and loving culture we so carefully create and maintain in our school, in our community, and in your home. 😊

Sincerely,

Kevin Luchies

Principal - Lambrick Park Secondary

## Lambrick Park Secondary School Student Contract for Digital Citizenship

**\*This student contract is the third of three parts of a School District, LPSS Staff and LPSS Student policy regarding student use of personal and school-provided digital technology.**

1. I will be a good digital citizen. I will not do anything that hurts other people or is against the law, my family's rules, or the LPSS Student Code of Conduct. I understand that to have technology rights I have to be a responsible user of technology.
2. I will not respond to any message that is inappropriate in any way and/or makes me feel uncomfortable. ***It is not necessarily my fault if I receive a message or image that is inappropriate.*** If I receive an inappropriate message or image, I will report the incident to my parents or a school staff member right away so they can support me and help solve the problem.
3. I will check with my parents or a school staff member before downloading/installing software, purchasing goods/services or doing anything that could possibly hurt computers or jeopardize my family's or school's privacy and/or financial security. I will keep programs such as anti-virus, spyware and adware up-to-date to protect hardware and information.
4. I will remember that I need to balance technology use with other activities to maintain my health and wellbeing.
5. I will remember that not all people have access to technology. I will not treat others differently if they do not have the same options I have.
6. I will help my parents and school staff members understand how to have fun and learn things online. I will help them learn things about the Internet, computers and other technology if they are not already expert users.

By shopping at ANY Thrifty Foods, here is an easy way to support  
LAMBRICK PARK SECONDARY:

1. Take the Smile Card with you to any Thrifty Foods location when you go grocery shopping. Ask the cashier to load any amount you wish onto the card **before** paying for your grocery order. Use any form of payment: cash, debit card or credit card. \*
2. Pay for your grocery order with the Smile Card. Any remaining balance is listed on your receipt.

**It's that simple!**

\*Thrifty Foods will donate 5% of the amount loaded on your Smile Card to our school. There is absolutely no cost to you. When the card is running low, load it again to continue to support LAMPAC every time you shop!

#### Cardholder Frequently Asked Questions

##### **What if I do not have enough funds on my Smile Card to pay for my grocery order?**

The cashier can apply all available funds on the card to your order. The outstanding balance can be paid in cash, debit card, or credit card. Cashiers cannot load a Smile Card once a grocery order has been rung through the till but the service desk can.

##### **What if there are funds remaining on my Smile Card once I've paid for my grocery order?**

Use the funds to pay for purchases next time you shop at Thrifty Foods! Many customers will load an amount equal to their weekly, biweekly or monthly grocery budget on payday or at the beginning of the month and use the card for their next several purchases. This speeds up the purchase transaction time as no pin number or signature is required.

##### **How do I know the current balance of my Smile Card?**

Your grocery receipt will show the remaining balance of your Smile Card after each purchase or a cashier can swipe the card at the till and do a balance inquiry. You can also check your card balance at [www.thriftyfoods.com](http://www.thriftyfoods.com) under Our Services, Smile Card, Check My Smile Card.

##### **How do I know I'm supporting my group/organization?**

Your grocery receipt will print a message at the bottom stating, "Group XXX – Thanks for your support!" Groups are required to apply for participation in this program annually and are advised of specific eligibility dates. If the group name does not display on the receipt, the group has not reapplied for funding and is not currently active. For example, schools can fundraise during the school year (September to May), soccer teams for the soccer season (September to March), etc. Cardholders should check with the group for specific information on eligibility dates.

##### **What if my Smile Card is lost or stolen and there is a balance on it?**

Lost or stolen cards should be reported immediately by calling Thrifty Foods Customer Service (250-544-1234 or 1-800-667-8280) or by going to any Thrifty Foods store. Once reported, existing funds on the card are locked. A replacement card can be obtained from the Customer Service desk at any Thrifty Foods location. Keep a record of your 19 digit card number, located on the back of the card, for reference in case of loss/theft.

##### **Should I keep my Smile Card after the fundraising dates are over?**

Yes – if the group applies for future funding, previously issued cards will be valid for the next approval period.
