

# This Week @Lambrick

Monday November 21<sup>st</sup>

Good Morning Lambrick Families,

We hope your children enjoyed the long weekend as Lambrick Staff engaged in professional learning this past Friday. A team of Lambrick teachers attended the GAFE (Google Apps for Education) conference at Oak Bay Secondary School on Friday & Saturday along with over 300 educators from the south island. The rest of the Lambrick Staff spent the day here at Lambrick collaborating & learning together around planning for the future and we were inspired and challenged by a keynote by Dr. Keven Elder around the new grades 10-12 curriculum.

Lambrick grad, Katie Coughlin, was our graphic recorder for the morning collaboration!
