

# This Week @LP

---

January 30, 2017

Today is the start of semester 2! Students had a very busy week last week writing final exams and completing all the required work to finish up the semester. Our teachers have been busy marking & supporting students in the sprint to the finish. I do hope that our community enjoyed a weekend of rest after all the hard work.

Students received their semester 2 timetables last Tuesday. Any changes to timetables need to be completed this week. Spots in some classes are tight so not all changes will be possible.

Lambrick is welcoming some new staff to our school community for semester 2:

- Kelli Kraft joins our teaching staff to teach French 10, 11 and Communications 11/12.
- Renée Jordan is joining us as a full time student services support teacher.
- Will Moore is joining us as counsellor and English teacher.
- Betty Gnocatto is back with us in the math department after taking semester 1 off to do some travelling!
- Dan Duerdan returns to LP to teach outdoor education (a new course offering), Planning 10 and he will be teaching Digital Imaging with Mr. Gronow.
- Stephanie Robertson & Rosanna Stone are joining us as education assistants.

## Staff Appreciation Lunch

**Wednesday, February 8<sup>th</sup>**

We hope that many wonderful food dishes will be contributed by our parents & grandparents for this lunch that will show our staff how much we appreciate all that they do for our students throughout the year!!

You can contribute in 2 ways:

1. Provide a food dish (salad, side dish, entree, dessert) for a nice buffet
2. Help with set up, serving or clean up

You can sign up to help or bring something to the lunch at this link:
