

## Lambrick Park Lions Weekly Events

April 15 - 19, 2019 - WEEK 2

### LAMPAC NEWS:

- Remember to use your **Thrifty Foods Smile Card** for grocery shopping each visit - we get a donation every time you do! Don't have one?? They are ready for pick up in the school office.
- **PURDY's chocolates** are still available to purchase for your home or workplace – contact our email or the school office

Questions: [lampac2015@gmail.com](mailto:lampac2015@gmail.com)

**PLEASE NOTE:** missed pre-paid lunches due to snow closures can be dealt with in 2 ways:

- ✓ Consider it a donation to the LAMPAC budget and we will allocate the funds to the school to benefit all students
- ✓ Have your student speak to Mrs. Woo next week during lunch hour to arrange a free lunch(es) to compensate.

**CAREER NEWS:** WEEBLY BLOG LINK <http://lambrickparkcareercentre.weebly.com/blog>

- See Mrs. Croucher [ccroucher@sd61.bc.ca](mailto:ccroucher@sd61.bc.ca) in the Career Center in the library

**2019 STUDENT LEARN SURVEY - please see attached**

**April 22**

**April 24**

**April 25**

## 2019 Student Learning Survey

The Student Learning Survey is for students in grade 4, 7, 10, and 12, their parents, and staff.

The participants access the survey by and going to the following website  
[www.bced.gov.bc.ca/sat\\_survey/access.htm](http://www.bced.gov.bc.ca/sat_survey/access.htm)

### **Parent Surveys:**

Parents may access the survey by Direct Access from the website listed above.

Surveys are to be completed by parents with children in Grades 4, 7, 10, and 12. A parent may complete a survey for each child in the targeted grades.

The parent survey is available in English, French and 16 other languages.

Parents can complete surveys on their own time. The survey is open until April 15<sup>th</sup>.

April 3<sup>rd</sup>, 2019

Dear Superintendents and Principals:

**Re: Measles Catch-up Program at School-Based Immunization Clinics**

The Province of British Columbia is launching a measles immunization catch-up program to help B.C. families ensure their children are protected from measles. The program will run from April through June 2019, with a goal of immunizing as many of the under immunized school aged children as possible by the end of the school year.

Island Health Public Health Nurses will be in contact with your school this Spring to book clinic dates and distribute consents to parents and guardians of children who are unimmunized or under immunized.

As Island Health is already offering a full catch up program in grade 6 and 9 a focus will be given to grades where catch-up vaccines have not already been offered or will soon be offered. We will begin with offering Measles, Mumps, Rubella (MMR) vaccine to grade 10-12 students who are unimmunized or under immunized. Following the immunization of grade 10-12 students, Public Health will immunize children in kindergarten to grade 4.

Consents for students will first be sent to parents/guardians however students in grade 10-12 will be able to provide consent if parents are unavailable or do not respond.

Most children in kindergarten to grade 4 will attend clinics at their local Public Health office. Where there are a large number of kindergartens to grade 4 students requiring immunization the PHN may arrange a clinic to immunize in schools. Where this option is offered, an invite will be sent to parents to attend as parents of children in kindergarten to grade 4 will need to be present at the time of immunizations.

The measles catch-up program is the first step in a two-phase plan to educate people about the importance of immunization and help them become aware of their immunization status. Offering the measles immunization catch-up program now will prepare parents for mandatory reporting of vaccination status, which is planned for the fall of 2019.

**Additional Information:**

- HealthLinkBC file on Measles, Mumps, Rubella vaccine can be found at <https://www.healthlinkbc.ca/healthlinkbc-files/measles-mumps-rubella-vaccine>
- HealthLinkBC file on mature minor consent and immunizations can be found at <https://www.healthlinkbc.ca/healthlinkbc-files/infants-act-mature-minor-consent-and-immunization>
- Information will be made available to the school for inclusion in newsletters to students and parents/guardians/representatives.

We look forward to continuing to work with your students and staff to promote good health and healthcare service through our immunization and other public health programs.

Sincerely,

Dee Hoyano, MD, FRCPC, CCFP Island  
Health Medical Health Officer

Dear Families,

This month's Substance Use SNAPSHOT focuses on **the Adolescent Health Survey** and includes information and resources to consider. If you wish to view the SNAPSHOT, click on the link provided below.
