Thanks to the families that were able to make it out to our Meet the Teacher Night on Wednesday.

Thanks to the staff and students that were able to help make that evening a success.

Next week there is a Professional Development Day on Monday, September 23rd and classes are not in session.

J: Block next week – September 25

*We are running on a Week #2 schedule and **Wednesday the 25th** is our first J block of the year from 8:50 to 10:10. (attached is our 2 week schedule rotation for your reference should you need it)*

The purpose of J block is to meet the Career Life Education Curriculum. As we start the year the main goal is to introduce the students to what the expectations are, and/or outline graduation requirements.

The Careers Team has organized sessions for the grades below.

Grade 9 students: Library

Grade 10 students: Multi-Purpose Room

Grade 11 students: no activities planned for this session, if you are coming that morning, please check in at the office and then you will be directed to a quiet space where you can work on your school assignments.

Grade 12 students: you are expected to be there! Please meet in the Gym!

Important information on grad requirements and grad events for the year will be shared at this session.

Have a great weekend.
