Parents & Students please review Code of Conduct - [CODE OF CONDUCT](#)

Dear Parents / Guardians:

From time to time a concern may arise in our educational community. To help resolve these issues, the Greater Victoria School District uses a complaint process to ensure that an individual's concern will be given respectful attention while upholding the integrity of the educational system. This process uses clear procedures for the communication and resolution of any concern held by a member of our education community.

If you would like to review the [Complaint Process for a Resolution of Concerns](#) you will find it here [Complaint Process](#) or you can contact the school and we would be happy to provide you with a copy.

Thank you and please feel free to contact us if you have any questions regarding this matter.
