Dear Lambrick Park Families,

The Lambrick Park Leadership Class has organized a Food Drive to support Shelbourne Community Kitchen – a local food bank and kitchen.

The students have placed wrapped boxes outside of each school classroom in hopes of collecting donations. Each box includes a list of "Dos and Don'ts" based on what Shelbourne Community Kitchen has asked for.

Thanks for your help with the Food Drive this year - hopefully we can bring in lots of donations to help local families in need (and bring in more donations than Gordon Head Middle School).

Thanks,

LP Leadership Students

LP Families - as a school project we would like to participate in the Canadian Armed Forces Holiday card initiative. We are asking families to donate booklets of Canadian stamps so we can mail our cards to service members through RCAF Station in Trenton Ontario.

If you wish to donate, please drop your stamps off in the Lambrick Park office by Wednesday December 4th, 2019.

Grade 9 School Based Immunization Clinic

Students in grade 9 will be offered immunizations at Lambrick Park's school-based clinics on February 6, 2020.

Grade 9 immunization consent packages was sent home with students this week.

If you are new to British Columbia, or if you think that public health may not have an up to date immunization record for your grade 9 student, please contact the Saanich Health Unit.

Please discuss the information in the consent package and involve your child in the decision to provide consent to immunization. This should be used as an opportunity for adolescents to start making decisions about their own health.

Although a child may be immunized with the consent of a parent/guardian or representative, a grade 9 student can make an informed decision regarding immunization regardless of parental consent or refusal. This is referred to as "mature minor consent."

For more information:

- Refer to HealthLinkBC file # 119 "The Infants Act, Mature Minor Consent and Immunization" available at: [HealthlinkBC File #119 The Infants Act, Mature Minor Consent and Immunization](#).
- A short video presentation on mature minor has been created for grade 9 students. It is available at: <https://vimeo.com/231149258> or by going to www.islandhealth.ca/immunization-info → Immunizations → Additional resources → *View our video on grade nine immunization and mature minor consent.*

Please contact the Saanich Health Unit if you have any questions.

By signing this form now, your child is in no way obligated or committed to any team, it will simply expedite the process should they decide to play.
