A Year in Review from Superintendent's Department

2020 06 25 Letter to
Parents and Guardian

It's been a very strange year to say the least.

This week was busy with our mini-grad recognition ceremonies and wrapping this up for the 2019-2020 school year.

Thanks to everyone for their ongoing patience and understanding as we navigated these unprecedented times together.

Report Cards/Timetables/Yearbooks/Locker Content Collection:

If students wish to collect any of the above items, we will have everything ready for pick up Monday and Tuesday next week (June 29 and 30) between 9:30 and 2:00. Come by the school and we will help you collect what you need. Please try your best to adhere to physical distancing while at the school.

*****Please note that for Timetable Changes: The online course change request form for fall 2020 is now closed. Students wishing to make course changes can do so by making an appointment when counsellors return to school in the week of August 31 to September 4th*****

Lost and Found Items:

We have organized all the clothing and other items left around the school this year. Our plan is to have the items not claimed picked up on July 6th by a local charity organization. If you are missing something and would like to check, come by before July 6th before the items are donated.

Summer Office Hours:

For your information and planning the school will be moving to some different hours should you need to call or come by to get something - here are the summer office hours:

June 26th: Year-End Admin Day the school will be closed
June 29/30: Report Card Collection 9:30 to 2:00pm
July 1st: Closed for Canada Day Holiday
July 2/3: Office open 9:30 to 2:00pm
July 6 to 10: Office hours will be 9:30 to 1:30

We will do our best to update our website throughout the summer as information becomes available regarding school start-up but at this point we do not know exactly what the rules will be for the fall.

Our current plan is to start to re-open the office August 26th.
