Barry Janzen, Vice Principal

WELCOME BACK!

It was great to have students back at school these past few days. The energy in the building was great and staff were happy to reconnect with students.

The information in homeroom was a lot for students to take in. It is suggested that you check in with your child to see what they were able to understand and absorb around COVID safety and the new Quarter system. Here is a link to the presentation we gave students in homeroom outlining start up.

[Homeroom Orientation Slide Show](#)

Classes start on Monday with **ALL students arriving for their A block classes**

starting at either 8:45 or 9:00 depending on their class start time

****see the staggered start document in the homeroom orientation slide show****

and students with last names **A-L staying for C block**

Another part of Homeroom was a number of forms that need to be completed and returned to A block teachers. Please take some time this weekend to review and complete those forms.

Next week will look a little different for everyone, with staggered start times, and lunches, as well as having some students not in classes during some afternoons. We are asking for your help in reiterating that we need students to:

- Enter the school using the applicable entrance for that class
- Observe Directional Arrows while in the building
- Leave the school when they are not in classes (lunch time and after classes)
- Maintain and observe physical distancing
- Wear a mask in common areas (hallways, etc.) Each student was provided with 2 reusable masks in Homeroom.
- Remain quiet when entering and exiting the building (so that they are not disturbing the classes that are in session)

We are confident that after a week or so with the "new system" students will get into a rhythm and settle in.

As mentioned previously, course changes are limited at this time due to many of the constraints and challenges the quarter system brings. It is important that students attend the classes they are scheduled in so that we can find them if we are able to accommodate any requests they have made.

 - ✓ New Technology
 - ✓ Green Initiatives
- ✓ Band and Musical Theatre
- ✓ Visiting Performers
- ✓ Party Program
- ✓ Career Center
 - ✓ Clubs
- ✓ Year-end Awards & Scholarships
- ✓ Yearly staff collaborative projects

WE NEED YOUR HELP

The PAC needs a Treasurer for this school year. The treasurer is one of the three executive positions on the Lambrick Park Secondary School Parent's Advisory Council (LAMPAC). In summary, the treasurer is responsible for ensuring that appropriate controls and procedures are in place to safeguard the assets of the LAMPAC. Over the course of a school year, the responsibilities of the treasurer require approximately 30 hours of effort. The specific duties of the treasurer can be found in section XI: Duties of Officers of the LAMPAC Constitution and Bylaws (on school website).

If you would be interested and want more information please email us (lampac2015@gmail.com). The past treasurer whose child has graduated has left everything ready and organized and is happy to meet.

LUNCH PROGRAM

We are currently in search of a Lunch Program Coordinator

MORE INFORMATION TO COME

We are hoping to start our program by the end of October.

Ordering is on-line via SCHOOL CASH ONLINE MENU and open all year.

Each student can custom pre-order through their Cash Online account.

- In the past we have offered a lunch option each day of the week. Last year we offered: Chinese Food (3 item combo plate), Pizza, Calzone, White Spot Hamburgers and Sushi
