DAILY HEALTH CHECKLIST

PLEASE REMEMBER YOUR MASKS EVERY DAY!

- ❖ September 28 – PRO-D Day – No School
 - ❖ September 30 – ORANGE SHIRT DAY
-

Reminder:

- *Monday is a Professional Development Day, classes will not be in session.*
- *Tuesday is an odd calendar day so a full day for students with last names M-Z.*

Hopefully your child let you know that we have abandoned our staggered start times. All morning classes start at 9:00 and all afternoon classes start at 12:30. Students are reminded to enter and exit the building using the designated locations to help keep the flow of student traffic efficient and as safe as possible.

Our LP students have continued to keep up with the various Health Protocols. The vast majority of our students are remembering to wear a mask in common areas, sanitize or wash hands when they enter the building and classes, and distance when and where possible. Please remind your kids to do their daily health check, and to stay home if they are not feeling well.

It was great to see so many grads participate in the grad spirit week. We saw Mathletes, Athletes, Country Folk, and Tacky Tourists over the week. Well done in keeping our school spirit going despite all of the things going on in our world.

A few activities are starting up, there are additional forms and protocols to follow, but it is good to know a number of clubs and activities are finding ways to make things work.

Remember that you can always check our website to find our Daily Announcements

[Lambrick Park School Daily Announcements](#) and other important information.

Have a great weekend!

[Student Connect](#) is now available for use for digital/online consent for all district-assessed and privacy-approved tools. As a public organization, we are bound by the Freedom of Information and Privacy Protection Act

(FIPPA). Because these digital classroom tools often store their data outside of Canada, students over the age of 13 are required to provide consent for usage. Students will need to sign in to the tool using their **school district username and password** to review consent items requiring action (to grant or deny consent).

Students, upon login, will see the following list of privacy-approved tools conducive to usage in high school:

GSuite for Education, FreshGrade Classic, Zoom, Adobe Creative Cloud, FlipGrid, Khan Academy, Scratch, EduBlogs, Mathletics

All students should complete this process as soon as possible at the link provided below:

WE NEED YOUR HELP

The PAC needs a Treasurer for this school year. The treasurer is one the three executive positions on the Lambrick Park Secondary School Parent's Advisory Council (LAMPAC). In summary, the treasurer is responsible for ensuring that appropriate controls and procedures are in place to safeguard the assets of the LAMPAC. Over the course of a school year, the responsibilities of the treasurer require approximately 30 hours of effort. The specific duties of the treasurer can be found in section XI: Duties of Officers of the LAMPAC Constitution and Bylaws (on school website).

If you would be interested and want more information please email us (lampac2015@gmail.com). The past treasurer whose child has graduated has left everything ready and organized and is happy to meet.
