**STUDENT CONNECT** is now available for use for digital/online consent for all district-assessed and privacy-approved tools. As a public organization, we are bound by the Freedom of Information and Privacy Protection Act (FIPPA). Because these digital classroom tools often store their data outside of Canada, students over the age of 13 are required to provide consent for usage. Students will need to sign in to the tool using their **school district username and password** to review consent items requiring action (to grant or deny consent).

Students, upon login, will see the following list of privacy-approved tools conducive to usage in high school:

*GSuite for Education, FreshGrade Classic, Zoom, Adobe Creative Cloud, FlipGrid, Khan Academy, Scratch, EduBlogs, Athletics*

All students should complete this process as soon as possible at the link provided below:

#### **DONATION DRIVE**

Thank you so much to everyone who has contributed to the donation drive. We are continuing to accept donations under the "Make A Donation" tab on the school website. Please make sure to select Lambrick Park Secondary-PAC (<https://lambrickpark.sd61.bc.ca/>). These funds go directly to supporting initiatives that benefit our kids. Due to COVID-19 we will not be able to run a Hot Lunch program at this time which is normally a huge fundraiser for the school. This donation drive is an extremely important fundraiser for the PAC. Originally suggested was \$50 a student, however any amount you are able to contribute is greatly appreciated.
