November 11 REMEMBRANCE DAY (No School)

[Lambrick Park School Daily Announcements](#) and other important information.

Have a great weekend!

The students are continuing to follow the Health Guidelines with some reminders and encouragement. Most students are remembering to bring a mask to school and wear them in the common areas - **PLEASE REMEMBER YOUR MASKS EVERY DAY!**

Please remind your kids to conduct the [DAILY HEALTH CHECKLIST](#) before coming to school each day, and to stay home if they are not feeling well.

Dear LP parents:

2 Months into the year so far and things are going pretty well. There are 3 weeks left in the First Quarter, it is likely that some students will start to feel the workload increase as the classes come to an end. Reminding students to create and follow homework schedules or plans to keep up with their studies. Students could use a digital calendar or a personal agenda book to keep track of due dates and assignment dates, or other methods that might work for them. We hope everyone has a strong finish to the quarter, and learning to stay organized might be helpful.

Masks and Hand Hygiene Reminders:

Most students are remembering to bring and wear masks in common areas (hallways, foyer, waiting areas etc) but we have noticed some students are either forgetting their mask on a regular basis, or not wearing them regularly. Please remind your student to **bring a mask and a backup every day** and that they need to wear them. We have Hand Sanitizing stations at each entrance and in each room throughout the school and students need to remember to practice good hand hygiene during the times they are at school.

By remembering to do our part, we keep our school community as safe as we can during the pandemic.

Weather:

The cold and rainy weather has started. Students do not need to wait out in the cold/or rain if they arrive at school before the start of classes. That said, students **must wear a mask and physically distance** while they are in the hallways waiting for classes to open, and/or during lunch breaks.

Government Assessments:

[Numeracy Assessment](#)

[Literacy Assessment](#)

Please remind your student to check their email (sd61learn accounts) for reminders about upcoming assessments. Only some of our students will be writing this November, others will be writing later in the year (January and/or April sessions). This November session is predominantly for Grade 11 and 12 students that did not complete an assessment last year due to the shutdown of schools in the Spring.

Information about the specifics of the assessments, and resources for students to try some practice tests to prepare for their sessions will be included in the email.

Have a great weekend.

STUDENT CONNECT is now available for use for digital/online consent for all district-assessed and privacy-approved tools. As a public organization, we are bound by the Freedom of Information and Privacy Protection Act (FIPPA). Because these digital classroom tools often store their data outside of Canada, students over the age of 13 are required to provide consent for usage. Students will need to sign in to the tool using their **school district username and password** to review consent items requiring action (to grant or deny consent).

Students, upon login, will see the following list of privacy-approved tools conducive to usage in high school:

GSuite for Education, FreshGrade Classic, Zoom, Adobe Creative Cloud, FlipGrid, Khan Academy, Scratch, EduBlogs, Mathletics

All students should complete this process as soon as possible at the link provided below:
