[Student Connect](#) is now available for use for digital/online consent for all district-assessed and privacy-approved tools. As a public organization, we are bound by the Freedom of Information and Privacy Protection Act (FIPPA). Because these digital classroom tools often store their data outside of Canada, students over the age of 13 are required to provide consent for usage. Students will need to sign in to the tool using their **school district username and password** to review consent items requiring action (to grant or deny consent).

Students, upon login, will see the following list of privacy-approved tools conducive to usage in high school:

GSuite for Education, FreshGrade Classic, Zoom, Adobe Creative Cloud, FlipGrid, Khan Academy, Scratch, EduBlogs, Athletics

All students should complete this process as soon as possible at the link provided below:

WE NEED YOUR HELP

The PAC needs a Treasurer for this school year. The treasurer is one the three executive positions on the Lambrick Park Secondary School Parent's Advisory Council (LAMPAC). In summary, the treasurer is responsible for ensuring that appropriate controls and procedures are in place to safeguard the assets of the LAMPAC. Over the course of a school year, the responsibilities of the treasurer require approximately 30 hours of effort. The specific duties of the treasurer can be found in section XI: Duties of Officers of the LAMPAC Constitution and Bylaws (on school website).

If you would be interested and want more information please email us (lampac2015@gmail.com). The past treasurer whose child has graduated has left everything ready and organized and is happy to meet.
