Have a great weekend!

Dear LP parents:

Masks and Hand Hygiene Reminders:

Most students are remembering to bring and wear masks in common areas (hallways, foyer, waiting areas etc) but we have noticed some students are either forgetting their mask on a regular basis, or not wearing them regularly. **Please remind your student to bring a mask and a backup every day.** We have Hand Sanitizing stations at each entrance and in each room throughout the school and students need to remember to practice good hand hygiene during the times they are at school.

By remembering to do our part, we keep our school community as safe as we can during the pandemic.

Weather:

The cold and rainy weather has started. Students do not need to wait out in the cold/or rain if they arrive at school before the start of classes. That said, students **must wear a mask and physically distance** while they are in the hallways waiting for classes to open, and/or during lunch breaks.

On **Friday, November 20th** **STUDENT REPORT CARDS** will be published to the MyEducationBC student portal. We will not be distributing paper copies of report cards through the usual homeroom process. All students have been given access to their account and have set up their log in information. Please click on the link below for instructions for logging in to the student portal to retrieve report cards and to view student schedules for Quarter 2. There have been some minor adjustments to some student schedules.

Students who are unable to retrieve their report card through the portal may come to the office to have one printed.

STUDENT CONNECT is now available for use for digital/online consent for all district-assessed and privacy-approved tools. As a public organization, we are bound by the Freedom of Information and Privacy Protection Act (FIPPA). Because these digital classroom tools often store their data outside of Canada, students over the age of 13 are required to provide consent for usage. Students will need to sign in to the tool using their **school district username and password** to review consent items requiring action (to grant or deny consent).

Students, upon login, will see the following list of privacy-approved tools conducive to usage in high school:

GSuite for Education, FreshGrade Classic, Zoom, Adobe Creative Cloud, FlipGrid, Khan Academy, Scratch, EduBlogs, Mathletics

All students should complete this process as soon as possible at the link provided below:
