Happy New Year to LP Families! Hopefully everyone had a relaxing Winter break.

Please have a conversation with your child about Careers. It is suggested that they log onto their Careers Google Classroom and show you what they are doing and what they have completed, or still might have outstanding. Please note that the end of January is the deadline for any material assigned for the first half of the year.

With the extension of the current Public Health Restrictions we need our families help limit students hanging out around the school in mixed groups/cohorts before and after school. Unless there is a school related reason or activity that kids are participating in, we will be telling kids they cannot be congregating in the school.

We are starting to plan for September and the 2021/2022 school year. More information will be coming out about course offerings and the course selection process in the coming weeks.

Please share with your neighbours and friends that we have our Baseball Academy Virtual Info Session on Jan 12 at 6:00pm via Zoom. If they would like a zoom invitation, please have them email jfogelklou@sd61.bc.ca

Have a great weekend.
