Dear LP families,

SCHEDULE UPDATE:

Thanks to all of the staff, students and parents that responded to our survey about the schedule for LP during these strange times.

The result of the survey suggested that most of our LP Community would prefer a consistent schedule. For the remainder of the school year we will have classes:

BLOCK A Morning Classes:

9:00 to 11:30 (M to Thu)

9:00 to 10:40 (Fridays)

Lunch Block Classes:

11:45 to 12:25

BLOCK C Afternoon Classes: (50% students)

Monday to Thursday 12:30 to 3:00

Remember: Students without afternoon classes are not to remain at the school unless they have a lunch time class or an appointment with a teacher. Students with afternoon classes should go outside or eat lunch in the designated classrooms. Students are not to congregate in the halls during lunch.

Have a wonderful weekend.

Students in Ms. Forsyth’s Foods class explored food marketing strategies this quarter. They investigated how companies use advertisements and commercials to sell their products to consumers and how it affects consumer purchases. With these marketing strategies in mind, the students created their own advertisements using Animoto. We hope you enjoy the samples provided.
