LP Families:

CONGRATULATIONS! To all of the students, staff and parents involved in the massively successful musical theatre production of Shrek this week!

THANKS! To the parents that were able to find many creative ways to support the program despite all of the rules and regulations currently in place. The show was excellent, especially when you factor in all of the health guidelines the kids and staff had to adhere to.

Next Week students will be attending their **C block class every morning**, and **A block class on alternating afternoons**. Your student's A block teacher should be reaching out to inform you if the general A-L even days, M-Z odd days split needs to be altered to comply with safety protocols.

## **STUDENT LEARNING SURVEY 2020/2021**

Parents of students in Grades 10 and 12 are asked to take a few minutes and complete a survey developed by the Ministry of Education. Your responses help the school, the district, and the ministry get a parents perspective about Lambrick. Please take some time and complete the survey before April 30, 2021.

The survey can be completed electronically and can be accessed on the Internet at [http://www.bced.gov.bc.ca/sat\\_survey](http://www.bced.gov.bc.ca/sat_survey). Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link with or without an anonymous logon code by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

### **Secondary Snapshot - Managing Family Conflict**

The COVID-19 pandemic and the public health response to this crisis requires us to spend more time together in our homes, and has limited important social connections and recreational outlets for teens and families.

With these limitations families may experience even greater levels of stress, anxiety, and social isolation, which, in turn, can increase conflicts between family members.
