[Lambrick Park School Daily Announcements](#) and other important information.

Dear Lambrick Park Families,

This week, the Greater Victoria School District announced Administrator transfer decisions. I will be transferred to a Vice Principal position at Mount Douglas Secondary for September 2021.

I do want you to know that I am really enjoying working with our Lambrick community, and how much I will miss seeing the Lambrick students every day and watching them emerge into adulthood.

Regardless of how long we have known each other, I love my work supporting the students, I am so proud of them, and when I see them in the halls or other parts of the school I always feel buoyed up by having the chance to be part of their experience.

A lot of my work at Lambrick has been in organizing or assisting with learning interventions when students struggle, working with staff teams to determine what are the best strategies, or directly in the classroom - I appreciate the trust the students, families and staff have given me in being open to that assistance from me.

I will be on-site at Lambrick for the rest of this school year and I am excited to make the most of every day I get to spend at Lambrick working with the staff, the students and your families. Please feel free to reach out to me in future should you need my support or to tell me good news about our students.

Sincerely,

Nancy Archer

GRAD 2021 UPDATES

Grads and Grad Families:

Class of 2021

Plans are in the works now to hold a grad ceremony that follows provincial health orders likely on or around Friday, June 18th. We are still working out details about the size of groups and whether or not guests can attend (livestreaming will likely be available), but regardless Grads will have the opportunity to participate in some form of grad ceremony. To that end, we need to place the cap and gown order to ensure delivery before the event. The cost to Grads is \$35 which provides a cap and gown to keep and a souvenir grad t-shirt. Please go to the School Cash Online at the link below to place your order and indicate your size **BEFORE MAY 1ST!**

SCHOOLCASHONLINE

Last year many grads were left scrambling because they did not purchase a cap and gown before the deadline and were unable to get one before the ceremony. See Mrs. Bourassa in the office if you have any questions.

PARENT SURVEY 2020/2021

Parents of students in Grades 10 and 12 are asked to take a few minutes and complete a survey developed by the Ministry of Education. Your responses help the school, the district, and the ministry get a parents perspective about Lambrick. Please take some time and complete the survey before April 30, 2021.

The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link with or without an anonymous logon code by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.
