

Lambrick Park Secondary School

2021-2022 Fees, Deposits & Optional Costs

TEXTBOOK DEPOSIT, LOCKS & LOCKERS

Grade 9, 10's and NEW students to Lambrick Park School\$27.00 (refundable)

This deposit is for educational resource materials such as textbooks, reused workbooks, novels and other resource materials. This one-time deposit will be refunded, all, or in part, upon return of the educational resource material, uniforms, locks etc.

Operational funding allocated to textbook replacement significantly impacts our ability to purchase other learning resources for our students. Textbook loss costs the school thousands of dollars every year.

Students are asked to take responsibility for caring for, and returning, textbooks provided for their studies.

Students who accumulate outstanding school resources over \$20 will not be issued new textbooks until the resources are returned, paid for, or determined forgiven by administration.

Students not issued textbooks will not be denied the opportunity to continue in their learning. While students will not have the convenience of accessing their own copy of the text, they may be given the opportunity to capture required information from a textbook through a personal device, provided paper or electronic copies or may have access to classroom copies of the textbook during their class, support block and/or learning over lunch.

YEARBOOK\$50.00

STUDENT ACTIVITY FEES.....\$30.00

ATHLETIC PARTICIPATION FEE \$40.00

Students participating in an athletic sport are asked to pay a participation fee. This fee will help towards the costs of running the athletics programs and assist with replacement of equipment and uniforms for athletics teams.

PAC DONATION\$50.00

PAC is seeking a voluntary donation of \$50 per student. Funds raised will supplement the money currently provided to the PAC by the BC Gaming Commission, and will expand the type of initiatives PAC is able to fund. Donations will also allow the PAC to continue to outfit and supply our Earthquake & Emergency kiosk on the property. Potable water, first aid and rescue supplies & equipment and nutritional supplements are some of our priorities at this time.

Should you wish to contribute more than the suggested amount or request a LAMPAC Donation 2021 Tax Receipt please contact Lambrick Park school lambrickpark@sd61.bc.ca
