5. Treasurer's update – - Dawn
Dawn ran through some of the revenue and expenses so far this year.

Donation drive is at \$1300 out of a budgeted \$3000. We may have to send out a second request in the new year so we can meet our budgeted expenses.

The signatories for our new Exec members are set up with Coast Capital. We could have one more signatory and it could be a school admin to facilitate the process. This may not be required this year.

6. Emergency Preparedness – Cecelia

Cecelia has found gloves at Costco but it is one box per person. She will continue to restock the Emergency kiosk over the coming weeks.

7. VCPAC update - Pauline
Pauline will share the VCPAC minutes.

8. Administration Report – Principal Gord Mitchell

Parent Teacher interviews via zoom were a success. Some hiccups, but substantial participation and good learning. Plan to have them again during the next quarter.

Close to end of first quarter. November 16 will be the first day of Quarter 2. There are of course pros & cons to the 2 courses per quarter system.

The Student Portal for My Education BC has a profile for all students in BC. Students can see their schedule and transcripts and report cards. Parents need to have their student log in so they can see this information. The school will send out access instructions.

Gord meets with the Grad Committee every Monday. Events cannot be the same this year as pre-COVID. The Winter Formal dinner dance will be replaced with a Winter Formal Day will be an event with a photo booth and a slide show will be created and then watched at small viewing parties. They are asking for \$100 for decorations and props for the photo booth.

Motion: Larissa provide \$100 for Winter Formal Day Second: Sheri Passed unanimously.

The schools in the district are discussing grad plans during the pandemic.

The School Act requires a Remembrance Day assembly. It will be a video presentation this year with different distancing protocols than usual.

November 12 will have a lockdown drill. There will be an alternative for students who may be upset by the drill.
