Dear LP Families:

A few quick reminder about next week.

Monday: Professional Development Day Hopefully the students enjoy a long weekend.

Tuesday: Island Health Covid Vaccine Clinic (10:30 to 1:30) An information package was sent home this week if you are looking for more details on what this clinic might involve.

Please remind your child to bring a mask to school. Too many students are forgetting to bring a mask and our supply is running low. We will be shifting gears from a pick one up if you forgot your mask, to masks available for purchase in the coming weeks. In talking to many chronic “forgetful mask students” they know parents have a supply at home, but they admit to being forgetful. If your child happens to fit that category, please provide them with some spare masks this weekend.

Help keep our Community Tidy: It is important that we all work hard to keep our school, school grounds, and neighbouring community clean and tidy. Students are reminded that they should not be throwing garbage or recyclables on the ground or leaving them in the hallways. We have ample outdoor and indoor receptacles and bins, and we are all expected to use them.

A group of Senior Students is busy creating a virtual video welcome to LP. We rescheduled our New Family/Student Virtual Welcome Zoom to October 6<sup>th</sup> at 6:00. This will be an opportunity for new to LP families to see the school, find out about a few important ways to access school information, and meet a few staff members. For anyone interested, our LAMPAC meets the same night at 7:00, so families can attend our virtual welcome, and then join our LAMPAC right after if you are interested.

Have a great “long” weekend.
