Scholarship Funding question. In prior years the LamPAC has offered a scholarship and we were asked if we would offer it this year (we are not sure how the form was resurfaced with new dates). There was discussion and we decided that we would not add a scholarship to our budget this year. The LamPAC can consider offering scholarships in future.

Course Selection process underway. There will be a zoom for new to Lambrick families. Goal is to have tentative schedules for the students before the end of June.

Grad Update: Grad parent meeting should be coming soon. UVic will waive the vaccine card requirement if schools have their grad ceremony at UVic. UVic changed our date to June 3 which conflicts with athletics provincials so date not finalized.
Dinner/dance now allowed. Venue and date tbd.

Assemblies are now allowed under current Public Health Orders.
