To LP Families:

I'm sure everyone is looking forward to Spring Break!

Hopefully everyone will get an opportunity to rest and relax. After the break things will really start to move quickly.

GRADS & GRAD parents: More info will be coming out regarding Graduation activities, ceremony, and dinner dance. Please remember to regularly check the Grad Google Classroom for updates.

Grades 10/11/12 students: Careers is continuing to move ahead. Don't forget to check your Careers Google Classroom for new assignments. Remember, careers classes are required courses for graduation.

Provincial Assessments: Late April will see the next session for Grade 10 and Grade 12 Provincial Assessments. This will be an important session for students to focus on. Students in grade 12 need to remember that these assessments are graduation requirements, so make sure you know when and where your assessment sessions are. Practice/Sample Assessments can be found online. If you have time over the break, and are writing 1 of these assessments, use the links below to get familiar with the process.

Parent/Teacher Conferences are scheduled for Thursday April 7th. Classes will end at lunch on the 7th and students will head home early. Booking information is below for those hoping to schedule an interview.

Masks Update: A reminder that Masks will be optional after the break (unless things change before we return to school). Please remember to keep some masks on hand in the event they become a requirement again by Public Health. It is important to note that some students and staff will choose to wear a mask for personal reasons. Many of our LP families have someone at home or close to them that may be experiencing health issues and wearing a mask is something recommended to them by their family health provider. It would be helpful if you could remind your child of this fact. Anyone wearing a mask should be able to do so without ridicule or judgement.

Thanks again to all of our students, staff, and parents for their support, patience and flexibility so far this year. Have a great Spring Break, see you in April.

Parent/Teacher Conferences: April 7th 1:00 – 4:00 and 5:00 – 7:00
