May 25th:

- **ICBC Presentation for Grads**
- **Dr. Lisa Surridge: Preparing for Post-Secondary**

Discussion Items:

Parent Teacher Interviews; Times and Format

Zoom interviews were first used during the pandemic and some people find them better than in person. It is possible that some people may prefer to speak in person, but we have not received that feedback. Many parents appreciated that the interviews did not run behind when they were zoom rather than in person. The general sense from the PAC was that we continue with zoom or video for the Parent-Teacher interviews and have a Welcome to the School/Meet the Teacher in person opportunity. There is always the opportunity for 1:1 virtual or in-person meetings to be set up by individual teachers and parents.

Calendar recommendations/suggestions

- 1. School Choice Pro-D. It can be helpful when the family of schools coordinates.**
- 2. Parent Education topics- bring your ideas.**
- 3. Meet the Teacher or welcome back activity was discussed and something the PAC supports.**

New Business

The May LamPAC meeting should be our Annual General Meeting. However, due to low attendance those present decided to postpone the AGM and elections to our October meeting. We will also have a PAC meeting at the end of Meet the Teacher, Welcome to the School night in September.

Staff appreciation set for Pro-D day, May 20. We are not feeling potluck ready yet under current pandemic conditions. The LamPAC is happy to fund coffee and muffins this year. Thank you Gord for arranging.

Adjourned 8:15pm

*** Next meeting: September 14 as part of Meet the Teacher, Welcome to the School night. Date and time to be confirmed.**

We will not hold a June meeting unless something extraordinary occurs that requires a meeting.

Watch the school Friday LP Weekly email for the Zoom or in person details

All Parents/Guardians of Lambrick students welcomed!

LAMPAC is your voice! We encourage you to participate.
