Please remind your student(s) to keep working hard, check their google classrooms (if they are using them in their classes), and for students in Grade 10/11/12 to check on their Careers Class.

You should have received a reminder email if your child is scheduled to write a Provincial Assessment. Good luck to those students that are writing.

[Creating a Better World Through Inclusion](#)

If we think of humanity as a large family, then to be inclusive means that everyone has a place at the table. No one is excluded, marginalized, or left out. Everyone has something to offer.

Often inclusiveness is described as something we should do to benefit others. However when we are inclusive our world becomes larger and we gain relationships and experiences that enrich us.
