June is off to a very busy start!

Good luck to our Girls Soccer team as they are currently in Vancouver at the Provincial Championships.

Also, our Track and Field team is at their Provincial Championships next week, good luck to those athletes as well.

Thanks to the students participants, staff and volunteer coaches, as well as our parents for all the extra time and energy put into all of our sports. Once again LP had a very successful year in sports.

Next week we are hosting an Elementary School Track and Field Meet on Tuesday June 7th. We are really excited to welcome students, staff and parents from Hillcrest, Torquay and Lakehill.

We also have our Year-End Concert at 7:00pm on June 7th. Hopefully you can join us to see the amazing work of our Band and Choir Programs.

June 9th is the Indigenous Education Department's Indigenous Graduation Ceremony at the Songhees Wellness Center. Congrats to all of our grads participating in that event.

Grad Assembly on June 9th at 11:10 for some important Grad reminders as well as Cap and Gown distribution.

On the Horizon:

Graduation Assessments June 13th and 14th - emails were sent out this week to students and parents/guardians of students who are scheduled to write.

- While the vast majority of Grade 12s have written all required Graduation Assessments, there are a few exceptions – please make sure that you are scheduled to write if you have not written the Graduation Assessments (you can email Mr. MacDonald at gemaconnald@sd61.bc.ca).
- If you want to double check, you can consult [this list](#).

[Creating a Better World Through Inclusion](#)

If we think of humanity as a large family, then to be inclusive means that everyone has a place at the table. No one is excluded, marginalized, or left out. Everyone has something to offer.

Often inclusiveness is described as something we should do to benefit others. However when we are inclusive our world becomes larger and we gain relationships and experiences that enrich us.
