Events on the Horizon

Lots continuing to happen as we near the end of the year! It was great to see so many parents of grads join us for our first ever Capstone Showcase last week. The Grads had some amazing projects and the energy in the gym was great to see. Well done to all of the students that presented and huge thanks to the staff and students that helped organize the showcase.

Parents of students in grade 10, please check your email if you haven't done so already. It is possible that your student has been randomly selected to complete an International Education (PISA) Assessment coming up on May 25th.

CONGRATULATIONS South Island Track & Field Champions!

Lambrick Park gold medalists:

Braeden B (Sr boy) - Long jump
Anna S (Jr girl) - Long jump & Triple jump
Dylan Y (Jr boy) - Long jump & 100m
Tristan B (Jr boy) - Hammer throw
Sr boys 4x100 (Aiden G, Braeden B, Kelton F, Jaydon M)
Jr boys 4x100 (Brady B, Ben H, James G, Carter A, Dylan Y)

* LP also had many silver and bronze medalists.

Congratulations to all who participated!

PLEASE HELP US! It would be very helpful if parents could try to avoid texting or calling students during class time. Texting is very convenient, but kids are really having a hard time ignoring any texts or notifications sent to them.

Monday to Thursday classes run:
8:55 to 11:40
12:30 to 3:15

Friday classes run:
8:55 to 10:40
11:15 to 1:05

It would be very much appreciated if families could hold off sending any texts or calling kids during our classes.

Thursday May 19th Grade 8 Transition Afternoon 1:00 to 2:45pm

Leadership Students/Volunteers/ and Staff will be spending the afternoon getting to know our grade 9s for the 2022/2023 school year. This will be the first time in 2 years since we have done this transition afternoon in person. Lambrick Park students that are NOT involved in the plans for the grade 8s will not have classes that afternoon. Dismissal that day will be at lunch.

We applied for an extension for the Ministry of Education Parent Survey, if you have a child in grades 10 or 12, please take a few minutes to complete this survey.

<https://www.awinfosys.com/SurveyFull1/central/main/access.asp>

- Scroll down to the Parent Section and look for the “District Access” section
- Select Greater Victoria #61 School District
- Select you preferred Language

Thanks to those parents that have taken the time to complete this survey already!

Grad Update!

Students intending to participate in the Grad Ceremony at UVic (June 21st) must first pay the \$70 grad fee. Students must do this in person now with Mrs. Bourassa in the office – on line no longer available.

Tickets will go on sale for the ceremony on Friday, May 6th through [SCHOOL CASH ONLINE](#) - \$7.50 each. In order to give all families an opportunity to purchase tickets, we are limiting the number of tickets per student to 5 until May 30th. After May 30th families who need more tickets will be able to purchase at that time. UVIC will assign seating according to the purchase date. In other words, purchase early for the best seats. Tickets will be emailed to the students_sd61learn.ca email account.

Tickets for the Grad Dinner/Dance on Wednesday, June 22nd at The Beach House are currently on sale \$80 each.

Guest forms are available – these must be completed and approved before purchasing a ticket for anyone who is not a Lambrick Park Grad.

DUAL CREDIT COURSES IN HEALTH & HUMAN SERVICES

Course Option 1:

Health 111—Indigenous Peoples Health

Students will explore Indigenous peoples' health experiences past, present, and future. Using a strengths-based and holistic perspective, students will learn about the current realities of Indigenous peoples' health experiences, and will be introduced to traditional healing practices. Students will be able to use this knowledge to further their own understanding of Indigenous peoples' health, and can apply this experience to work with children, families and in community.

Choose One

Course Option 2:

ELC 130—Early Childhood Profession

Early Learning Care is a responsive and engaging field that empowers living in more just worlds. Students will actively engage with inquiry as a research tool to learn about the issues impacting children, families, and communities. Through the lens of early childhood educators, students will explore the topics of: anti-oppressive and anti-racist practices; advocating for social justice; and collaborating with children and families to inform our understanding of ethical practices.

Health 111 & ELC 130 are part of the following great programs:

- Mental Health & Addictions Certificate Program
- Community, Family & Child Studies Diploma Program
- Early Learning & Care Diploma Program
- Educational Asst. & Community Support Certificate
- Early Learning & Care Diploma Program
