Happy New Year!

Hopefully everyone had a relaxing Winter Break.

Good luck to our Basketball Teams as their seasons get into full swing.

Congrats to our Film and Television Class for winning the Vancouver Island FilmCan Festival, Senior Student category again!

Semester 1 is coming to a close quickly; for many students it is crunch time to buckle down and finish strong. Students should be studying or working on school work every night to make sure they are prepared for any semester end assessments, and that all of their projects and assignments are completed. Some of our students will be writing provincial assessments in Literacy and Numeracy and could be using their study time to get familiar with those exams.

See below for some information on the Provincial Assessments in January.

Graduation Assessments – January 2023

Students currently in a Social Studies 10, Math 11 or English 12 class will be writing a Graduation Assessment in late January (either Literacy 10, Numeracy, or Literacy 12). [Here is the schedule](#)

See below for links to further information about the assessment, including sample questions:
