To LP families;

The focus this week at LP has been course selection for next school year.

We had assemblies with Grade 9/10/11 students as well as a Q&A session Friday afternoon to help students prepare.

Students will be completing a Course Form next week to indicate what courses they would like to take next school year!

Below are links to each slide show that we went over with the students this week:

Since it has been a number of years since we have been able to offer a “regular” grad season, we thought it might be helpful to offer an online info session for our grads and their parents so that everyone has the information about Grad 2023!!!

Have a great weekend.
