Welcome to LamPAC!

The Lambrick Park Secondary Parent Advisory Council (LamPAC) is a group of parent volunteers dedicated to supporting students, staff, and the broader school community. We work collaboratively with school administration to enhance opportunities for students and help make the Lambrick experience even better.

One of the most important ways LamPAC supports the school is through fundraising and the distribution of funds to student programs and activities. Each year, we provide financial support to a wide variety of initiatives throughout the school, including:

- Athletics Department
- Music Department
- Math Department
- Musical Theatre Program
- Dance Program
- Student clubs (Robotics, D&D, Jewelry, etc) and leadership activities
- And many other programs that enrich student life

These funds help provide equipment, non instructional resources, and contribute to experiences that directly benefit Lambrick students.

We Need Your Help!

This year, LamPAC is seeking a Secretary to join our executive team. This is a critical role that helps keep our

organization running smoothly working alongside the LamPAC Chair, and Treasurer.

Without a Secretary, LamPAC will not be able to maintain a complete executive team, which could impact our ability to distribute funds to the many programs and activities that rely on our support.

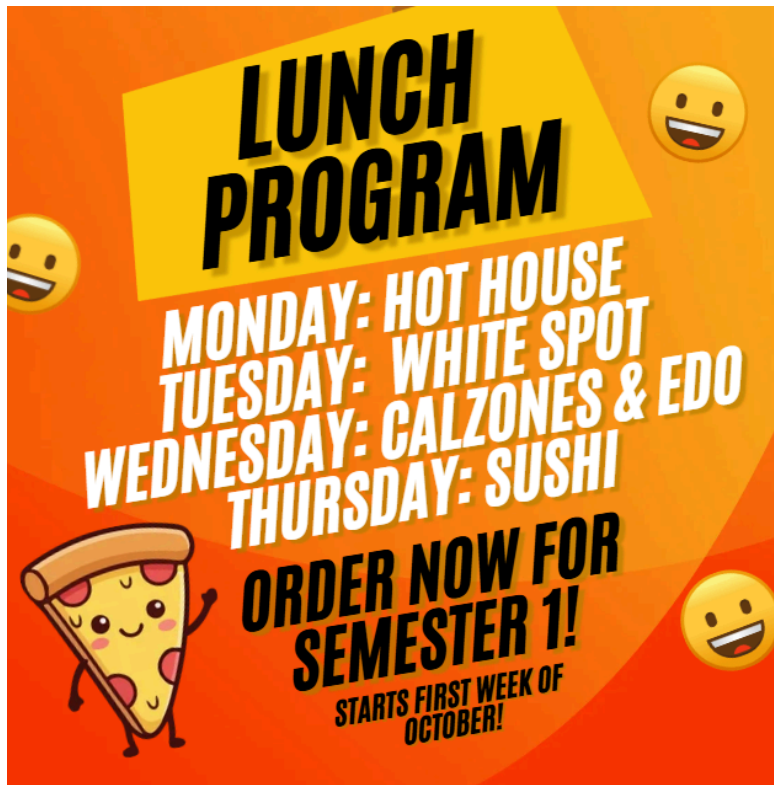

Join Us!

We invite all parents and guardians to join us on September 17, immediately following the Meet the Teacher Night at Lambrick. Whether you're interested in volunteering, learning more about what we do, or simply have questions about the school, LamPAC members will be there to connect with you. Join us in the Library.

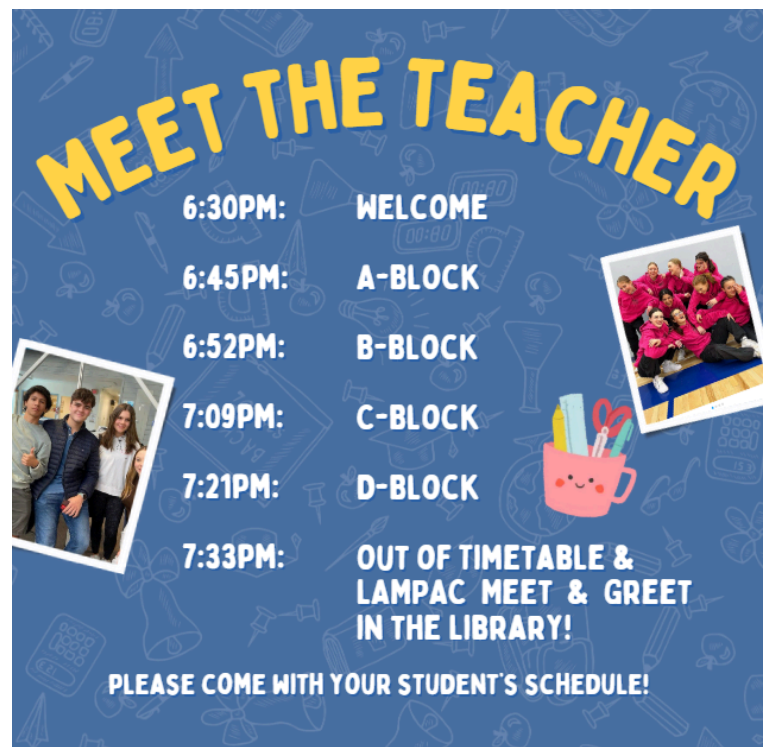

We look forward to meeting new families and working together to support the incredible students and programs at Lambrick Park Secondary

Thank you,

LamPAC
