On October 1st, the Tour De Rock cyclists will be arriving at Lambrick to pick up the donations we have received. The cyclists are made up of emergency and police personnel who ride from Port Alice to Victoria to raise money for childhood cancer research. They also support the Canadian Cancer Society who use the donations to fund pediatric cancer research, and support programs like Camp Goodtimes. These programs have touched the lives of so many families. Your donations to Cops For Cancer go directly into funding these programs and helping them continue to run! Please consider donating to this incredible organization [**here**](#).
